

Day-to-Day Dance COVID-19 Information for Parents, Guardians, and Students

Before Arriving at the Studio

Large dance bags are not permitted; dancers may bring a plastic Ziploc bag with their dance shoes and any other ESSENTIAL items such as necessary medication. Refillable water bottles are not allowed and use of the water fountain is prohibited. Alternatively, students may bring a disposable water to class. The bathroom will only be open for emergencies, meaning that students should use the restroom before coming to class and should be dressed for class before arriving at the studio.

Arriving at the Studio:

When students arrive at the studio, we ask that before entering, students wait outside for a Day-to-Day Dance team member to invite them into the studio. A team member will allow the students into the studio one by one 5-10 minutes prior to the start of class. Anyone entering the studio must wear a mask, have their temperature checked, and must use hand sanitizer. Furthermore, we will keep a record of who has come into the studio. The lobby will be closed, meaning that parents or guardians are not permitted to stay in the lobby during class to reduce the amount of foot traffic in the studio.

Classroom Procedures:

When it is time for class to begin students will be permitted to enter the studio with the permission of the teacher. It is important that students wait for the teachers to open the door to the studio. When the teacher opens the door to the studio, there will be chairs where students may place their plastic bag, and disposable water bottles. Here students may sit and put their dance shoes on. Students are not allowed to change their shoes in the lobby. During class, students will be will be six feet from the teacher and separated by walkways} This will be designated with tape on the floor.

Cleaning Procedures

Before each class the studio floor, chairs, and any items that are used by students will be sanitized. The lobby and bathroom will be cleaned daily and objects such as doorknobs and light switches will be cleaned several times during the day.
